

Board Director

■ Brian Golter is the former Founder and CEO of Brian Golter & Associates. He has made over 1,500 successful, direct-hire placements in Silicon Valley and specialized in counseling candidates and companies. Mr. Golter is an industry leader in working with top law firms and corporations. He was an integrated part in many of their hiring procedures. This breadth of experience has given Mr. Golter a unique perspective on what makes a company successful and its employees motivated and engaged. He brings this understanding to Go Furious—helping to build an organization that knows how to lead its clients, employees and own objectives. His dedication to the field combined with his entrepreneurial spirit contributes to a thorough appreciation for both loyalty and risk-taking and how to balance the two to enhance a thriving work environment.

■ Prior to establishing his own firm, Mr. Golter spent 20 years under the mentorship of June Gregory, at Gregory and Leigh. As a recruiter, June trained Mr. Golter in her remarkable art of uncovering the very best in an individual, allowing them to find purpose, meaning and fulfillment. In his recently published book 'Your Right Job Right Now' (Ambassador International 2009) Mr. Golter takes the reader into June's office and offers direct access to June's ability to transform their career. In addition to his seminars, Mr. Golter has been a popular speaker at job fairs, career outreach programs and churches.

■ Mr. Golter received a B.S. in Psychology and in Philosophy from the University of California, Santa Cruz. He offers his career guidance and relational skills to Jeremiah's Promise, which equips former foster kids with skills for a better future.

Jeremiah's Promise is a 501(c)(3) nonprofit organization dedicated to addressing the needs of those youth who "age out" of the foster care system at age 18 and who would otherwise face homelessness, poverty and hopelessness.

In a residential setting, we empower these youth to become healthy, self-sufficient, productive members of the community through a comprehensive combination of services.
